Home of the All-Inclusive Golf Experience

Welcome to Chapel Hill Golf Course

Situated only 35 miles northeast of Columbus, and only 25 miles South of Mansfield, Chapel Hill's central location makes it very convenient from anywhere. This 6,950 yard Barry Serafin designed golf course, with a slope of 125, provides a fun but challenging test of golf for all players.

The golf course opened in 1996 on what used to be the Mount Vernon Bible College, and the Chapel that once served as a place of worship was converted into a one-of-a-kind clubhouse. Stocked with all the latest merchandise, the pro shop at Chapel Hill is a great place to pick up a memorable souvenir after your round.

With a full driving range, GPS on the golf carts, friendly staff, and great food, Chapel Hill is the perfect place to host your next company outing or family function. Chapel Hill makes it very easy by helping with every step of the planning process. With everything in one convenient package, there are no extra or hidden costs.
